

Introducing Our New Codeshare Partner

Dear Travel Partner,

Air India is pleased to announce the expansion of its interline agreement with Uzbekistan Airways to a codeshare partnership, improving connectivity across Central Asia. This partnership is a one-way codeshare that provides Air India customers with convenient access to Tashkent, and to further 8 destinations in Uzbekistan via Tashkent.

Similarly, Uzbekistan Airways passengers benefit from connectivity with Air India to multiple destinations in India, and SAARC region from Delhi, Mumbai, and Goa.

This codeshare partnership will facilitate seamless single-ticket travel, enabling smoother journeys between the two nations.
